

Senate Surveys (1-800-337-0069, 1-900-255-1550) has sent us multiple faxes over the past few weeks. I try to call the 800 number to be removed, and it is constantly busy. It wastes our paper, toner, and time. Our fax machine is for conducting our business, not receiving spam like this. I did an internet search for this company, and apparently, many people have had difficulties with this and have been told by the FCC and the BBB that there is nothing that can be done. Please find them and make them stop. The address on the fax is Senate Surveys, 29-31 Margaret Street, London, WIN 7LB, UK.

Thank you!
